## Muni-Link Billing Software

The Borough of Marysville is pleased to announce an upgrade to our new billing software, Muni-Link. We will be transitioning to our new software in the first part of 2016. Muni-Link has worked with many municipalities to understand firsthand what is required to best meet different authorities' and boroughs' needs. With this new software, we will be able to better serve you in many ways.

How this will impact you:

- \* Ability to reprint bills with ease
- \* Customer portal for online billing and payments
- \* Ability for the landlord and tenant to receive copies of bills if requested

During this transition, we don't anticipate any delays or noticeable changes; however, with anything new, we must go through a testing phase.

We appreciate your patience during the transition. If you have any questions or concerns, please contact the borough. As always, our goal is to provide you with the best service.

### Easter Flowers Sales

Please remember to clear the snow from the fire hydrants. This will help us when seconds count.

## Marysville Moose Lodge

The Marysville Moose is a collection point for magazines and catalogs for the Ronald McDonald House in Hershey. The collection of these items helps our lodge by showing we care about our local area and by helping a great cause. In September we dropped off 512 pieces from collection efforts.

In October the lodge was able to help a local family that was in need. This young family with four children of a Marine Corp Veteran was about to become homeless. Through our Small Games of Chance account that must be used for charitable reasons we were able to pay a months rent plus provide funds food and other supplies while he looks for work. It gives such a warm feeling to know that we as a lodge were able to help someone locally that was really in need.

# Ordinance Reminders

## Snow and Ice Removal

Please utilize your off-street parking when it starts to snow. This will allow the plows to push the snow to the curb.

Do not place snow from sidewalks or private property onto the street. Snow removed to facilitate parking is a violation of the ordinance for anyone to throw, discharge or place snow from the sidewalk or private property onto the borough streets. Snow which is removed from the street to provide space for parked cars must be deposited adjacent to curbing and not placed on the roadbed on which traffic travels.

Snow and ice must be removed from all sidewalks within 24 hours after the snowfall.

## Snow Emergency

In order to facilitate the movement of traffic and to combat the hazards of snow and ice on the snow emergency routes named in §15-703 of this Part, the Mayor, in his/her discretion, may declare a snow and ice emergency. Information on the existence of a snow emergency shall be given by the Borough of Marysville through radio, newspaper

or other available media, and information on the termination of the emergency may be given by use of the same media.

After any snow emergency due to accumulation of ice or two (2) or more inches of snow, it shall be unlawful, at any time during the continuance of the emergency, for any person:

To park a motor vehicle or to allow that vehicle to remain parked anywhere on any snow emergency route designated in §15-703 of this Part; or,

To drive any motor vehicle on any such snow emergency route, unless that vehicle is equipped with snow tires or chains or all season tires.

## Winter Tips

### Plowing

Plow trucks will make every effort to push snow back to the curb line to maintain travel lanes. It would help the plow trucks a great deal if you would utilize your off street parking spaces. If you see the plow trucks go past a couple times and only open the lanes for the traffic don't worry the trucks will be back to push the snow to the curb line. In order for the snow to be pushed against the curb line your car will need to be moved to off street if available.

### Mailbox Damage

At times mailboxes are hit while plowing. The borough will repair your mailbox if it's hit by one of the borough plow trucks. The borough will not pay for repairs if your mailbox is hit with snow or ice. We will try to make every effort for this not happen; however accidents can happen especially with large snow storms.

# Police News

## Police Reminders:

The Marysville Borough Police Department hopes our residents had a happy and safe Holiday Season. Winter has finally arrived and we'd like to remind resident's that street sweeping will continue if temperatures are above freezing on the scheduled street sweeping days. In the event of significant snow fall, resident need to obey posted Snow Emergency Routes to avoid having their vehicle towed. Borough Ordinance also requires sidewalks to be shoveled within 24hrs of the snow fall ending and prohibits snow being shoveled onto any roadway. If a fire hydrant is located on your property, please help by clearing snow away from the hydrants. In the event of large snowfalls, please use caution navigating borough streets and watch for pedestrians and children. Please follow us on Facebook at Marysville Police Department for updates and information.

## Trends:

Marysville Borough has not escaped the Heroin epidemic. We are still dealing with Heroin, overdoses, and Heroin related crimes. If you have any information about drug activity or drug related crimes, please contact us.

During winter months we historically see an influx in Domestic Assaults. More often than not, these Domestic disputes are fueled by alcohol.

Technology is making Identity Theft and Fraud cases more and more common and frequent. Please take the appropriate measures to safe guard your personal information. Do not give any personal information out over the phone. No government agency will call and solicit information over the phone. Please monitor your credit and bank statement for fraudulent activity and report any incidents of Fraud or Theft to our Department.

## New for 2016:

Marysville Police Department will soon begin the hiring process for a 3<sup>rd</sup> full-time police officer to serve Marysville Borough and our citizens. We will also be replacing our 2008 Dodge Charger patrol car in 2016. Follow us on Facebook at Marysville Police Department for updates, news, and information.
