Marysville Borough News
1st Quarter 2006

From the Pen of the President

Sincere best wishes to several borough volunteers who did not seek to be reelected or reappointed. **Leslie Chuhinka** and **Jim Lewis** have completed their terms on Borough Council as did **Mayor Maura Carbaugh**. Leslie was active on the Parks and Revitalization Committees; and, Jim has been holding the financial reins on the Finance Committee. **Paul McCoy** has served many years on the Planning Commission and has requested to be relieved of those duties. We sincerely thank each of these members for their years of service.

A huge welcome aboard to **Roger Barrick** and **Nan Hiddemen** as newly elected council members, **Lance Barthel** and **Sherree Knight** will continue serving as the other elected council members. Completing the team of elected officials is Mayor **Tony Rajk**. He was sworn in by Magisterial District Judge Maguire on January 3, 2006. We welcome Tony and look forward to working with him.

The **First National Bank of Marysville** is busy putting up a new bank building on Front Street. Although unable to save the structurally unsound Watts 5 & 10, they have submitted plans to rebuild it in the

original form. We applaud their revitalization efforts. President **Bill Hummel** very actively served on the Revitalization Committee assisting Borough Council and the Planning Commission in our two-year planning effort. Thank you to **Bill** and the **Bank**.

Your assistance in keeping your Borough neat and clean is sought. You can access a **Citizens Concern Form** online, complete it, and submit it to the Borough Office for our follow up. If you don't have access to the web, you can call the office and request the form.
