Marysville Borough News
1st Quarter 2007

From the Pen of the President

The Borough is pleased to announce the approval of another grant! This is exciting news to share with you. The Department of Community and Economic Development has approved a grant to be used for surveying and site planning for the Marysville Downtown Commercial Business District Streetscape. Last quarter we announced to you that we have been granted PennDOT monies for the streetscape enhancement project on the Square. **A public meeting will be held upon completion of the surveying portion. We will seek your input and assistance in designing a downtown area as you wish to see it. Watch for the announcement.**

WELCOME to Brian Harris as our Borough Manager. Brian joins us with expertise and experience having served as the Reading Water Authority Manager. He has been learning about Marysville while working on the streets with our maintenance crew assisting with leaf collection, etc. He has also worked with our waste water treatment plant operators learning the operation and maintenance of our system. As of January, Brian will be spending more time in the office while continuing to assist staff as required.

WELCOME to Deb Troutman as our Mayor. Deb has expressed an interest in civic duties as a way of giving back to her community. She performed a wedding in the council chambers a few days after being sworn in as mayor. Deb led the Christmas Tree Lighting Ceremony.
