

# Sewer Separation Project

MARYSVILLE BOROUGH

## Marysville Borough News

### Attention: Borough Homeowners

If you own a home from Cameron Street North to Sylvan Street you must stop in the borough office no later than April 29, 2011. There is a large scale map of the borough where your house is shown. You will need to draw on the map where your sewer line comes out of your house and how it travels through your yard, to the street or sewer main. This will help us greatly when we separate the storm sewer and sanitation sewer systems. The borough office is open daily from 8:00am - 4:00pm. If you are not able to make it between these hours, please contact Scott Weaver the Borough Manager at 957-3110 to make other arrangements.

### Notice to Pet Owners

With spring and summer approaching we would like to remind pet owners the law requires pets to be kept on a leash and pet waste be cleaned up and disposed of properly.

In the past, it has been visibly noticed that pet owners did not adhere to the above mentioned law at the Marysville Borough and Marysville Lions Park playground area.

The Marysville Borough and Marysville Lions Club reserves the right to close the park to all pets with the exception of guide/service pets if this practice continues.
