MARYSVILLE STUDENTS PLANT TREES ON CEMETERY LAWNS

Former Resident of Town Donates Trees So Children May Observe Arbor Day.

By Special Correspondent;

Marysville, Pa, April 29. Arbor Day was observed by planting fifty-seven trees in Chestnut Grove Cemetery yesterday morning. All the teachers and pupils of the public schools met at the high school at 9 o'clock and led by Professor J.E. Groff and the seniors of the High School, marched to the cemetery, where they were met by Mr. and Mrs. James Gingrich, of Harrisburg. A short program was rendered after which the tree planting was started.

Mrs. Gingrich, who formerly resided in Marysville, but now resides in Harrisburg, was active in civic work while living here. She took an active interest in the schools and it was through her that the students were able to plant the trees yesterday. She purchased the trees.

Railroad News;

The Pennsylvania Railroad Company is rapidly arranging to take care of the men who will be moved to Marysville, August 1, by the shifting of the classification yards for preference" freight from Harrisburg to that point. Plans are being made by a Philadelphia syndicate for the erection of twenty houses and although nothing definite has yet been done it is understood that with the official opening of the years on the first of the month contracts for these dwellings will also be let. A large frame building on South Main street has been leased by the company from Mrs. Mary Traver, to be used as a bunk house for the Jersey and Philadelphia men who have their layover at Marysville and for much other employees as desire to use it. It will have seventy-five bunks. (*I'm speculating its 45 South Main St. / B.C.*)

Long Contract for Water Supply

New Pump Will Be Erected at the Marysville Yards

That the classification yards of the Pennsylvania Railroad at Marysville is not an experiment but a permanent feature became apparent yesterday with the announcement that the railroad company had closed a ten year contract with the water company of this place to put in another pump and furnish water to the Company at the rate of \$250 a month. The pumps now in service are capable of furnishing 23,000 gallons of water per hour and for the present that amount is deemed

sufficient for the daily demand but the company officials do not care to take any chances In a shortage of water and want to be In a position to meet an increased demand which will come as the traffic handled in the new yards increases. The contract was agreed upon after a conference between H. E. Hess,

*John Sloop who has been ailing with heart trouble for some time is not any better.

*Mesdames Jennie Simons and Mary Mitchell of Wertsville, spent Sabbath under their parental roof.

*There was no school at Keystone several days, the teacher, Mr. M.R. Whitcomb being sick.

*Mary Brubaker, Mary Barrick, Annie Knaub, Myra Haslem, Laura Smee, Minnie, Elise and Bertha Fenicle, Annie and Lizzie Souder, Clara and Esther Baum, Elsie Luchenbaugh, Ellen Moyer, Edna Haslem, Eugene Creary, John Hill, James Sykes, Clarence Smee, George Fenicle, Harry Gamber, Samuel Nace, Levi Hummel, Allen Albright, all have gone to their respective places of labor and many others will go later on. *Charles Hill, while chopping wood, accidentally cut an ugly gash in his foot.

*On Tuesday evening, after Mr. Ricedorff moved, the people of the immediate vicinity gathered and gave them a hearty welcome and with the ones who came along with the flitting. All enjoyed themselves in playing various games till the wee small hours, when they returned to their respective homes, but several Elliotsburg bloods fawned on several of our young ladies and fearing for their safety, they escorted the ladies home. But the worst was to come. I am told they lost their way and wandered about till morning. Then they saw the large flag pole which graces our school grounds and fortunately does not stand far from Mr. Ricedorff's and by its aid succeeded in finding their way back.
