

Finance Committee Minutes
October 7th, 2010
7:00 AM

Chair: Marcus Hite Members: John Edkin, Sherree Knight

1. Resolution - Permit Fee's Change Tabled for now.
2. Recreation lease
 - Waiting on a full recommendation from Parks & Rec.
3. Continue lease or purchase copier
 - After much discussion committee asked Scott to get the price of the copier versus leasing. The price would be \$10,200.00 to purchase and on lease a 48 months cost to us would be 12,192.00 and a 60 month lease would cost \$12,840.00. The lease covers all toner and repair, if purchased we would have to have a contract for repair and pay for toner.
4. Review Budget for 2011
 - Committee approved to present to council and for the budget to be advertised.
