Dave Magee said the county would like the borough to get involved in the appealing of the assessment. The committee agreed to pay ¼ of the cost to get an independent appraisal done.

4. Billing System for Sewer & Trash

Scott Weaver said the borough office needs to have a more efficient billing system. Dave Magee requested Capital Tax be contacted to get a quote for them to do the billing and collection. The committee suggested contacting other municipalities to see what system is being used and if they are satisfied. The committee agreed to review quotes at the next finance committee meeting.
