

**Reconvene Finance Committee Minutes**  
**July 10, 2014**  
**4:30 PM**

**Chair: Dave Magee    Members: Allie Snyder, Larry Little**

**Treasure: John Tennant**  
**Administrative Assistant: Kim Charles**

**1. Audit Report**

The committee discussed some line items and asked Scott to place this line item on the council agenda under the work shop.

**2. 150<sup>th</sup> Anniversary Celebration**

The committee agreed to remove this line item.

**3. 2014 Budget Review**

The committee asked many questions and had very good discussions on some line items and what we can do to cover some overages.

**4. Managers Spending Amount**

After much discussion the committee asked Scott to place this line item on the council agenda under the work shop. The committee agree to raise the spending amount to \$1,500 and build in a % multiplier.

**5. Alpha Space Control (\$996.00 Vascar 3M Tape, \$290.00 P-50 Primer)**

The committee would like to table this line item and possibly look at a different devise for speed control for the borough.

**6. Generator for Borough Building**

After some discussion the committee agreed to place this line item on the council agenda under the work shop for further discussion.

**7. New Truck**

The committee agreed to place this line item on the council agenda under work shop for further discussion. Scott stated that the streets committee wanted to work on this but did not meet this month.

**Next meeting Wednesday August 6th, 2014**
