1. 2009 Car Show

Car show attendance increased by 50% from the prior year. The Lions Club facility will be booked for the Saturday prior to Memorial Day weekend. Party starts at 3:30 and there are chaperones that are planning to attend and tickets are \$6.

Wading Pool is complete and a final payment requisition will be made in the amount of \$55,900.00. The amount will be paid from the pool account that was opened at Marysville Bank. Brian will check with the Finance Committee to see how much will be used from the Parks and Recreation Fund and that amount will be transferred into the account.

Brian informed the committee that the pump in the filter building is being repaired since it had electrical problems.

4. Community Garden

Sherree indicated that the community garden will most likely not happen this year since it is getting late in the year. The Insurance supplement will be \$50-\$200 and will be placed on finance agenda for discussion.

5. Grant Applications

Brian informed the committee that no response has been received to date regarding the C2P2 application.

6. Bingo Bash

The committee discussed having a Bingo Bash at the Moose sometime in October. Kim will check with the Moose to see if they have interest in participating.
