

Marysville Borough Sewer & Sanitation Committee
March 10th, 2011
8:00 AM
Minutes

Chair: Roger Barrick

Members: Ann Simonetti, Marcus Hite

1 Town Clean-up Day

Same discussion as Finance Committee, it's a good idea we just need to look into it a little more.

2 List of Sewer Plant issues

- Head works A & E Associates
- Tideflex Valves \$10,000.00 each plus installation
- #1 lift station Scott and Crew to look into this.
- Distribution Box Being worked on now
- Chemical Tanks Removing two and restoring two
- Mud Valve
- Exhaust Manifold Leaks

3. Joe Burket

Joe asked the committee if they would have issuing or allowing the land owner to tap into a manhole once the manhole is in place. Committee had no problem with this issue but advised Mr. Burket that it's up to the entire council to make that decision.
