

Marysville Borough Sewer & Sanitation Committee
October 5, 2015
5:45 PM
Minutes

Chair: Steve Copp Members: Allen Metzger, Larry Little

Operators: Lonnie Sarver,

1. Water Consumption Billing

After some discussion the committee agreed to take this line item off the agenda.

2. Sewer Separation Project

After much discussion about the cost and time frame of this project, the committee agreed to have Scott contact our engineers to start the process.

3. Bond's versus Loan

Scott has a meeting scheduled with Ryan Hottenstein a financial advisor on October 28th at 10:00 AM to discuss what may be our best avenue to finance the sewer project and possibly pay off our old bonds.

4. Billing System

The committee over whelming agreed to move onto a new and better system for billing. The committee said whatever system fits best for the girl is good with them. The system that we are looking at going with is Continental Utility Solutions, Inc.

5. Pump for Pump Station #1

After some discussion and a lesson on the history of the pumps that we are using now and how much maintenance expense we are having with them. The committee approved to purchase of a new type of pump. The name is Liberty LSGX202-RE at a cost of \$2,900.00.
