Minutes

Chair: Roger Barrick

Members: Ann Simonetti, Marcus Hite

1 Replace Valve

Replace influent valve at head works

- Just for information purposes that we believe the valve can be rebuilt in house and it would not be needed to take out to do so.
- Also Scott has a person coming in to look at the control panel to make sure it's in operational order.

Next Meeting Thursday, Nov. 4th, 2010 @ 8:00 am
