Repair versus New
568.00 repair
910.00 new minus trade in of 200.00 = 710.00

Committed approved to take this to council.

. CSO's 2 and 3

Scott reported that CSO 2 and 3 are leaking back through from the river and that DEP would most likely make us repair them. Scott is to add cost to 2011 budget.
