

**Marysville Borough Sewer & Sanitation Committee**  
**February 2, 2015**  
**5:45 PM**  
**Minutes**

**Chair: Steve Copp    Members: Allen Metzger, Larry Little**

**Operators: Lonnie Sarver, Darrel Binkley**

**1 Pump Station #1**

Scott informed the committee that this project will move forward once the weather is fit.

**2. Shielding for Auger**

The committee had some questions about the issue with the liner. After answering those questions, the committee approved the place this on the council agenda.

**3. MS4 Permit**

Scott informed the committee that our application to be exempt from MS4 had been rejected and that we now have to apply for a MS4 permit. Scott stated that this would be at least a year after the application is submitted. Scott informed the committee that we should budget at least \$20,000 for the 2016 year to cover the costs for MS4 implementation.

**4. Air Packs Replaced**

Scott informed the committee that the air packs at the sewer plant are out of serve date wise and need replaced. Scott informed the committee that the fire company has air packs for sale at \$150.00 apiece and with one extra air cylinder with each pack. The committee approved for Scott to go ahead with the purchase since it's within his limits of spending.

**5. Nutrient Credit Trading**

The committee started a lengthy discussion on trading of the nutrient credits. Scott will follow up with the application and whatever needs done to get into the trading.

**Next Meeting Monday March 2, 2015**
