

Marysville Borough Sewer & Sanitation Committee
February 6th, 2013
7:00 AM
Minutes

Chair: Steve Copp Members: Ann Simonetti, Roger Barrick,

Operators: Lonnie Sarver, Darrel Binkley

1. Sewer Separation Project Update

Scott gave an overview of the project. Scott shared with the committee the information regarding the change orders that he, Ron and Greg received when meeting with Tesra from PennVest.

2. 300 Block Kings Highway

Scott reported the project is moving forward. Scott met with Jimmy Roberts regarding the grinder pump and Mr. Roberts is agreeable.

3. Comminutor Replacement (ordered, delivery end of February)

Scott reported the comminutor has been ordered and will be delivered in late February. Lonnie and Darrel are doing some pre-install work so things will be ready when the comminutor is delivered.

4. Sludge Hauling Bid

The committee recommended Scott to contact Dan Altland to review the sludge bid contract and when it should be advertised. The committee agreed to place the sludge bid on the council agenda for advertising.

5. 101 Valley Rate sewer/refuse (commercial)

There was discussion regarding the rates on vacate commercial properties. The committee would like some time to think about the rates and discuss further next month.
