

Marysville Borough Sewer & Sanitation Committee
May 8, 2013
7:00 AM
Minutes

Chair: Steve Copp Members: Ann Simonetti, Roger Barrick,

Operators: Lonnie Sarver, Darrel Binkley

1. Sewer Separation Project Update

Greg Rogalski gave an overview of the project, he reported that all the pipe is in the ground as of yesterday. Four storm inlets will be installed today and that should be the last of the digging. There is a crew working on trench restoration and that will continue through this week and be completed next. The total over lay of the streets should be in the June 1st area time frame. The overall look at the dollars available we should be able to complete the entire project within the budget.

2. Sludge Hauling Bid (advertising first week in May)

Some discussion when the advertisement should go out and it has been decided to advertise this week.

3. COG Auction – July 17th

Scott asked if there was anything we may have at the sewer plant that maybe worth taking to the auction. We came up with nothing this year.

4. Asset Management

Scott reported that he and Lonnie will attend a meeting at Barton & Loguidice at 11:30 today.

5. DEP Yearly Inspection

Lonnie and Scott gave an overview of the inspection. There were a couple issues' that has to be addressed but nothing earth shattering. Everything is minor and easy fixes.

6. Pay Full Trash and Vacancy

The committee will not bend on this issue for Essis or anyone.

7. Sludge Valve Replacement (\$1,402)

The committee approved to place this line item on the council agenda.

Lonnie and Darrel reported that they have completed for the month.

Installed the new communitor, pulled the defusers and cleaned them, service work on all the pumps and motors are complete, installed new float at pump station.

Next Meeting Wednesday, June 5th, 2013 @ 7:00 AM
