Operators: Lonnie Sarver, Darrel Binkley

1. Punch List Sewer Project

Work being completed week of 8/04/14

Scott informed the committee he was not able to deliver topsoil to Ron Keeley due to his fence being locked and a car placed in front of the gate. Scott said he sent an email prior to the delivery but did not hear back from Mr. Keeley. Scott informed the committee the borough received a letter from attorney Bill Dissinger about the issues at Mr. Keeley's residence. Scott is working with both Bill and Mr. Keeley on the issue.

2. Time to Think About Next Project

No discussion

3. Trash Pump (\$949.00) sale price

After much discussion about this pump and the submersible pump the committee approved to place both items on the finance and council agenda.

4. Weil Submersible Pump (repairs \$ 2,350 or replaces \$ 2,995)

Please refer to comments above.

5. Mr. Patrick's Water Issues

Scott informed the committee the borough is going to place dirt around the rear of the building to keep the water from his foundation and replace the inlet box and pipe exiting the inlet box to take away the water.

6. Contract Extension for Advanced Disposal 2% Increase

The committee approved to have this line item placed on the council agenda.
