Operators: Lonnie Sarver, Darrel Binkley

1. Sewer Separation Project Update

(Greg Rogalski)

Scott reported that the milling will start the week of August 19th and the paving will start the week of August 26th.

2. Kings Highway Project

No word from Wexcon on a start date for the Kings Highway Project.

3. Asset Management

The committee agreed to have this line item on the council work shop agenda.

4. Home Lateral's (ordinance 18-319)

Scott reported that the ordinance has been advertised and will be placed on council agenda.

5. Interceptor Cleanout (Kline's \$5,900)

After some discussion on the cleaning of the interceptor line the committee approved to place this line item on the council agenda.

Lonnie gave a report on the items they have worked on for the past month. Listed was the generator was serviced for this year. They borrowed Duncannon's sewer line jetter to clean the interceptor and were able to complete 2,000 feet of the line before returning the unit back to Duncannon. Lonnie asked about the ordinance 18-319 and if it passes that we should consider renting a camera and mapping the sewer mains from Cameron Street to Kings Highway.
