

Marysville Borough Sewer & Sanitation Committee
September 8th, 2011
8:00 AM
MINUTES

Chair: Roger Barrick

Members: Ann Simonetti, Marcus Hite

1. List of Sewer Plant issues

- Head works A & E Associates
- Tideflex Valves \$10,000.00 each plus installation
- #1 lift station Reline pipe (two quotes received)
- Distribution Box Needs completed
- Mud Valve
- Exhaust Manifold Leaks

Head Works cost sheet and quote. (I have received three quote)

Scott is to have a spread sheet so we can make sure we are looking to measure apples for apples.

2. The lower interceptor will need cleaned this summer.

This is not getting done this summer and will now look at getting it completed in the winter once frozen.

3. Watch video of sewer main Marysville motors to pump station.

(awaiting quote from USG)

4. Kenneth Smith address committee.

Ken asked the committee if there were anyway they could give him permission to ride his four wheeler with a cart up the church and to the woods to get fire wood. After much discussion Scott was asked to contact Dan Altland. Then Marcus found information that council could approve roads for four wheeler travel as long as they are marked properly. The committee asked to take this to full council for approval.

5. All inlets have now been cleaned (info only)

Scott informed the committee that this line item has been completed.

6. New gate for entrance (\$6,400)

The committee asked to have this line item put in the 2012 budget.

7. New hire for operator position

Roger gave an overview of the person that was interviewed, Scott is having this person come in for a tour of the sewer plant. There was some discussion that some of the other candidates should have been brought in for interviews.

8. Costars for Street Sweeper

Ann asked Scott to list at costars that the Marysville Borough is looking for a street sweeper and in the listing what we are looking for the sweeper to do.

9. Recycle Grant

Ann told Scott that the recycle grant is now available on line

Next Meeting Thursday, October 6th, 2011 @ 8:00 am
