

Marysville Borough Sewer Committee
January 4, 2007
9:00AM
MINUTES

1. Rockville Estates – Tammie suggested we consider requesting a hydraulic test

Ann to follow up with the engineer.

2. Status of RUS Project/CAP
 - RUS Funds – Funds to be transferred – **Application being processed**
 - CAP-DEP – DEP has removed the CAP
 - Pump Station No. 1 Rehabilitation – I&I study ongoing

Ann reported that we were recently removed from corrective action plan. Brian will find out what, if any, I&I work is still being done. CAP-DEP item can be removed from the next agenda.

3. WWTP/Sewer System Operations & Maintenance
 - Kings Highway –
Bid docs for Phase II wall replacement being finalized.
 - CSO Flows Evaluation / Alternatives
 - Growing Greener Grant has been submitted

Ann indicated that she is in the process of obtaining grant monies for the gabion wall replacement and that the Growing Greener Grant has been submitted. CSO Flows Evaluation can be removed from the next agenda.

4. Sewer/Storm Drainage System/Problems
 - Rockville Estates - HOP application was submitted.

HOP has been submitted, however, the status will not be known for some time.

5. 200 Kings Highway Storm Drain or Swale

See Attached Email

6. Send Attorney fee letter to habitual delinquent account customers
 - Accounts over \$1,000
 - Accounts over \$500

Agreed upon to send certified letters to any delinquent account that has not made a payment in six months or any customer on a payment plan that has missed two payments. Can be removed from the next agenda.

7. Istvan Cizmadia – 411 Lansvale St. – Says that he bought the property from Tracey Stepler and that Tracey has not lived there since June 06. We have been charging a Commercial rate for the property and he wants to know if we will credit him for at least a portion of the vacant period. Increase back to commercial as of 1/12/07.

Agreed to credit account at 50% of \$714, which is \$357. The account will be a commercial account.

8. Lions Club – Pipe extension

Can be taken off next agenda.

9. Rating of Nutrient Management

Sent the WWTP an email congratulating them. Can be taken off next agenda.

Next Meeting Thursday, February 1, 2007 @ 9:00 am
