

Sewer Committee Minutes
4/5/2007
9:00 AM

1. WWTP/Sewer System Operations & Maintenance

- Kings Highway –

Phase II wall replacement being finalized. Awaiting CDBG funding release

The gabion wall design is near completion and was discussed during the Finance Committee Meeting in conjunction with the Benatec Invoice. Once the easement with Dr. Chadagas is complete, the project can be put out for bid.

2. Method for collection of past due accounts

Committee agreed that delinquent accounts will be filed with District Judge McGuire per the summary letter that Ann prepared regarding collection methods.

Next Meeting Wednesday, May 9, 2007 @ 9:00 am
