

Marysville Borough Sewer Committee
May 8th, 2008
8:00 AM
MINUTES

1. Billing Update

Brian informed the committee that the May bill went out for sewer and refuse and the next quarterly bill will go out in July. The committee also agreed to waive interest on accounts that would like to pay monthly as long as there were no legal implications. Brian will check with Dan Altland to see if the borough can offer this.

2. Resolution 214

Brian distributed a revised Resolution 214 and requested that the committee review the spreadsheet and make any corrections needed.
