

**Marysville Borough Streets Committee**  
**October 3rd, 2012**  
**7:30AM**  
**Minutes**

**In attendance: Chair Allen Metzger, Scott Weaver and Ann Simonetti as well as staff Robert Laman and Ken Miller.**

**1. Review Equipment logs (travel)**

Allen wants the person filling out the car log to print a little better. Question came up about the use of travel logs when the new gas cards track mileage and user. After a discussion the committee would like to see the logs continue at this time.

**2. New Truck before Winter**

Scott reported that he emailed the request back to Rita, Day Fleet, for the truck quote. Scott also asked Rita to have the quote back to him before the Finance Committee meeting and mostly by the council meeting. Once Scott receives the quote he will copy it and place it in the packets.

**3. Review Chapter 15 (motor vehicles and traffic) Parts 4 & 5**

After some discussion Allen and Scott are to meet Thursday, October 4<sup>th</sup> midmorning to finalize the chapter and once completed send it to Dan Altland for his approval and then place this line item on the council agenda for advertisement.

**4. ARLE grant submitted**

Scott reported he has not heard back yet if we got the grant.

**5. Bridge Review (South Main Street)**

Ken reported brushing has been completed allowing better access to the stream.

**6. Removal of the speed humps on Kings Highway**

Scott reported that the sewer project will not be milling for quite some time so we may be able to borrow their road cutter to grind the one speed hump off. Scott will ask this on Thursday at the job conference. Scott will contact East Pennsboro and ask if they have a machine we may borrow.

**7. Dump Truck Bid at Susquenita School**

Committee agreed they do not want to inherit someone else's problems.

**Next Meeting Wednesday November 7th, 2012**
