

**Marysville Borough Streets Committee**  
**December 5th, 2012**  
**7:30AM**  
**Minutes**

**Chair: Allen Metzger Members: Dave Magee, Lance Barthel**

**Maintenance Men: Robert Laman, Ken Miller**

**1. Ginny Rech**

The committee discussed the resident's concerns of possible accidents at the intersection of Maple Avenue and Chestnut Street. The committee agreed after the completion of the paving in the spring 2013 to install crosswalk signs, paint crosswalk area with straight lines and cross lines inside to make this area more visible.

**2. Review Equipment logs (travel)**

Comments were everything looked in order.

**3. Bridge Review (South Main Street)**

**4. Set Meeting Time and Day**

The committee agreed to meet at 9:00am on Wednesdays before the council meeting.

**5. ADA Ramp Preview (Greg)**

Greg Rogalski from Pennoni Associates presented the committee with the drawings for the ADA ramps and what areas will need completed to have the streets paved curb to curb. Greg shared with the committee the streets that have the most damage from the sewer separation project. The committee discussed the issue and agreed to place the item on the council agenda. The committee recommends choosing bid proposal one and two with three being an alternate on the bid.

The committee asked Scott to check the amount of money left in the H20 grant that could be available for the ADA ramps.

**Next Meeting Wednesday January 9th, 2013**
