

Marysville Borough Streets Committee
February 6th, 2013
2:30PM
Minutes

Chair: Allen Metzger Members: Dave Magee, Lance Barthel

Maintenance Men: Robert Laman, Ken Miller

1. ADA Ramp Bid Opening

The bids were opened at 2:30PM as advertised. Doug Lamb Construction, Inc. was the low bidder at \$119,866.00. Scott informed the bidders that council will review the bid packets. Council will take action Monday, February 11th to approve the bid.

2. Review Equipment logs (travel)

No issues found.

3. Bridge Review (South Main Street)

There was discussion regarding the knee walls of the bridge on South Main Street. The committee asked Ron Brown if anything could be done to stabilize the area. Ron Brown will take a look at how we can stabilize the walls. [As a matter of information, the county Pennoni reports are in the bridge file. The reports contain recommendations such as jersey barriers on the parapet approach; large stones (rocks) in the stream to minimize the undercutting from the current.]

4. Handicapped Parking (Chapter 15 Part 502)

220 Park Dr. (Bonnie Clouser)

342 Front Street (Ken Bair)

401 Maple Avenue (Eppley)

The committee recommended 342 Front Street and 401 Maple Ave. be placed on the council agenda for approval.

5. New Heater in Bay #1

After much discussion regarding the heating systems and costs, the committee recommends going with the electric heater and would like this placed on the council agenda.

6. Garage Door Opener for Bay #1

The committee recommends going with Hershocks quote with the add on of the solenoid brake to the quote.

7. Correct Issue on Cassel Street (11 & 15 to Lincoln Street)

The committee discussed the issue on Cassel Street and will keep this on the agenda for further discussion.

Next Meeting Wednesday March 6th, 2013
