

**Marysville Borough Streets Committee**  
**March 2, 2015**  
**5:00PM**  
**Minutes**

**Chair: Allen Metzger Members: Dave Magee, Lance Barthel**

**Maintenance Men: Robert Laman, Ken Miller**

1. **No Parking Both Sides on Susquehanna Street (residence request)**  
The committee asked to invite the residence of Susquehanna Street to the meeting. This was done and fourteen residences came out to voice their opinion about the parking on the street. After only a couple minutes hearing from the residence that attended the meeting all the residence asked to keep Susquehanna Street just the way it is. The committee agreed and it will stay the same.
2. **South Main Bridge Report**  
The committee looked over this year's bridge report and since the report didn't show any changes from last year it was a short discussion.
3. **One Way Arrows at Intersection (committee road trip)**  
The committee agreed to take a trip to look at the intersection of our one way streets to help to determine the need of traffic control.
4. **Request for Handicap Parking Spot**  
The committee's response was the South State is a state road and that the requester should contact Penn-Dot for a permit. Scott will call the resident to inform them.
5. **Bridge Project Use of Land**  
Scott reported on the upcoming bridge project and the possible use of the borough owned property at Front and 11&15 as a storage area. Scott also asked to take the oak tree down to make more room and once the project is over to make the area grass again or a parking lot. The committee agreed to the use of the property but to ask the shade tree committee about the removal of the oak tree. The committee also agreed to make is a grass area with a couple benches.
6. **Salt**  
Scott reported that road salt is an issue and that he is working through it.

**Next Meeting Monday, April 6, 2015**
