

Marysville Borough Streets Committee
March 31st, 2011
8:30AM
Minutes

Chair: Roger Barrick Members: John Edkin, Allen Metzger

1. **Street Sweeper** Needs Starter, new side brushes
Scott reported that the problem with the starter is the starter motor, John will have it looked at next week. Scott also reported that we ordered and received today the new curb brushes.
2. **Repairs from Plowing and Salting**
Scott reported that most repairs were covered with warranty but we did have to buy a light for the F250 and a light harness for the F450. Not too bad for all the plowing this year.
3. **Review Crews Timesheets**
Committee reviewed with little comment.
4. **Review Equipment logs (travel)**
Committee reviewed with little comment.
5. **Sticker for bottom of Street Sweeping Signs.**
Scott report since Ken is back that we might be able to get these sticker/signs the same place we get our stop sign covers.
6. **Town Clean-up day** It's on the RFP
Committee approved to take to council the first option to ask Interstate Waste to extend one year on the contract. Also ask to not add the increase of 3% percent that is in the contract. Scott will contact Interstate Waste and try to have an answer for Monday's council meeting.
7. **Pot-hole repair**
Scott reported that we were waiting for the plants to start making cold patch. They are now making it and we will get some the first week of April and start patching.
8. **Seal or strip seal at Whitetail.**
Scott to look into this and has already put it on the crew schedule

Next Meeting Thursday, May 5th, 2011 @ 8:30am
