

Marysville Borough Streets Committee
May 9th, 2012
7:30AM
MINUTES

Chair: Steven Copp Members: Allen Metzger, Roger Barrick

Maintenance Men: Robert Laman, Ken Miller

1. Review Crews Timesheets

No comments from committee

2. Review Equipment logs (travel)

Some discussion about the borough mobile, the committee recommended to have this line item placed on the council agenda.

3. Review Chapter 15 (motor vehicles and traffic) Part 4 & 5.

Tabled

4. Drop area for yard waste/plan pick up

After some discussion, Ann ask for this line item be placed on the sewer and sanitation committee agenda and for Scott to have Kim take our last RFP for Sanitation and update the dates and print it out for that committee.

5. Vehicle Management Report

(Instead of Equipment Logs)

The committee approved the sheet as is and would like this placed on the council agenda.

6. Ordering the new street signs (grant)

Some discussion about what signs are needed and what could be used for spares. A discussion about buying extra post since they are quite pricy and we could use the rest of the grant to pay with them.

7. Going back to old time sheets, more info

After some discussion about how much easier they were to keep the proper times in the proper location, the committee approved the switch back to the propose time sheet.
