

Marysville Borough Streets Committee
August 3, 2015
5:00PM
Minutes

Chair: Allen Metzger Members: Dave Magee, Lance Barthel

Maintenance Men: Robert Laman, Ken Miller

1. Lansvale Street

Scott reported the paving is moving forward and Greg and him are working out the final details.

2. Long Term Planning for Paving Streets

There was lengthy discussion about how to finance the projects. Scott will have a representative from PNC Bank come to the next work session to explain different ways of financing and what may be best for the borough.

3. Paving for Eastern Part of Borough

The committee approved to advertise for bid on the following streets: Jacob, Weaver, Center, Elizabeth and Catherine.

4. Rock Wall

The committee approved to place this on the finance agenda.

5. Curbs and Sidewalks

The committee would like Scott to begin enforcing the ordinance in April 2016. To make property owners aware of the ordinance, the committee would like the information included in the 1st Quarter 2016 newsletters and a letter sent with the April 2016 sewer and garbage bills.

6. Jersey Barriers for Bridge

Scott reported that he has barriers coming from the state and they are free.

7. Speed Bumps South Main during Construction

The committee approved to place this on the council agenda.
