Chair: Allen Metzger Members: Dave Magee, Lance Barthel

Maintenance Men: Robert Laman, Ken Miller

1. New Truck for 2015

Scott reported that he has received one quote for the amount of \$42,157.85. Scott is waiting on a second quote and he believes that quote may even be lower than the first.

2. Ordinance 21-206 Sidewalk and Curb

Some discussion on how many people would need to replace their sidewalks and curbs. The second part of the discussion was how to finance the repairs or replacements.

3. South Main Bridge

Greg Rogalski and Scott have come up with a plan to place concrete barriers on the sides of the bridge to keep the traffic from possibly going through the sides of the bridge that are in very poor condition.

4. US11&15 Improvement Package 11-7 / 11-A

Again, some discussion on the projects and how this project is going to impact the businesses.

5. Paint Sidewalk at Sabo Property

Lance and Scott have talked with Jim Sabo about painting the white lines to outline the sidewalk/walk way in front of his business along 11&15. Jim has given permission to proceed with the painting of the walkway.
