

Marysville Borough Streets Committee
September 8th, 2011
8:30AM
Agenda

Chair: Roger Barrick Members: John Edkin, Allen Metzger

1. Review Crews Timesheets

No issues found

2. Review Equipment logs (travel)

John Edkin question about Mayor Troutman not using the Borough car when she traveled. The discussion followed that the transmission may is not the best for long travel. The car will be available for all travel if needed.

3. Review Chapter 15 (motor vehicles and traffic) Part 4 & 5.

Committee wants to complete the entire chapter and then advertise for change in ordinance.

4. Pot hole and sink hole repair (info only)

5. Kenneth Smith to address committee

Look at the sewer committee meeting minutes.

6. Test Pits and Rock Boring

Scott explained to committee about the two items and the benefits of performing them. The benefit is to save hundreds of thousands of dollars.
