1. Request from Teresa Lenk to have "NO PARKING" signs from the corner of Front Street to Cameron Street and Verbeke Street on October 6, 200. They would need the area for the wedding party and the limo to park on that day from 12 noon until 3:00pm.

Committee agreed to allow the maintenance department to post the no parking signs on Friday October 5th prior to the wedding day. Brian will also let Carl know.
