

Marysville Borough Streets Committee Meeting Minutes
October 4, 2007
8:00AM
Minutes

1. Brad Fantine – Driveway

Committee agreed that it would not be prudent to make any improvements to Brad Fantine's driveway at the property located at the intersection of Caroline Drive and Kings Highway. Brian will contact Brad to let him know that the borough has no intention of making improvements.

2. Sink Hole at the intersection of Walnut and Grape Street.

Brian discussed the sink hole that opened up at the intersection of Grape Alley and Walnut Street. Brian informed the committee that it will be dug up and the crushed piping will be replaced and backfilled.

3. Whitetail Development – Curb Painting

Roger informed the committee that no curbing in Whitetail Crossing has been painted and no yellow dividing lines have been painted. Brian will arrange to have the maintenance department complete the work.
