

Marysville Borough Streets Committee
November 8th, 2007
8:00AM
MINUTES

1. Street Closing for the Veterans Day Parade

Brian informed the committee that the maintenance staff posted the parade route for this Saturday.

2. Speed bumps on Ridgeview Drive

Brian informed the committee that a resident on Ridgeview Drive inquired about possibly installing a speed bump on Ridgeview Drive to slow the speed of traffic. The committee decided that instead of installing speed bumps, a greater police presence is needed to deter speeding vehicles.

3. Winter Maintenance Agreement

The committee will make a recommendation to borough council to sign the winter maintenance agreement with PennDOT for the amount of \$1,399.88 to maintain Rt. 850 throughout the winter.

4. Curb Cut on Cameron Street and Verbeke Street

Brian will assess the request to cut the curb down so the resident can continue to pull in and out of the driveway.

Respectfully Submitted,

Brian D. Harris
