

Marysville Borough Streets Committee Meeting Minutes
December 6, 2007
8:00AM

1. Perry County CDBG Grant Application

Ann informed the committee that she will be applying for CDBG monies and requested that Brian create a list of streets that need improvement throughout the borough. Brian will prepare a list of streets ranking them 1 (worst) through 10. This information is necessary to list the intersections on the grant applications. The grant will be for handicap ramps on said streets.
