

**Marysville Borough Streets Committee
February 7, 2008
8:30AM
MINUTES**

1. Street Paving Projects

The committee directed Brian to provide a list of the streets that are in the worst condition in the borough. Brian met with SEM Materials and will be meeting with them on Thursday, February 14, 2008 to conduct a free street assessment in the borough. After that meeting, Brian will provide the information to council.

Next Meeting Thursday, March 6, 2008 @ 8:30am
