

Marysville Borough Sewer Committee
March 6, 2008
8:00 AM
MINUTES

1. Wesley United Methodist

Brian informed the committee that the church would like to have their letter of credit reduced once the final inspection is done and the certificate of occupancy is issued. In addition, they would like pump out their septic tank every 2-3 years rather than annually. The committee directed Brian to consult with Dan on both issues and report the findings to Borough Council.

2. Chesapeake Bay Suite

Brian informed the committee that the Chesapeake Bay lawsuit is available for anyone who is interested. In total, there are 54 municipalities included in the lawsuit against the Department of Environmental Protection

3. Chesapeake Bay Resolution

Brian informed the committee that a resolution will be placed on the council agenda stating the borough's objection to the unfunded Chesapeake Bay Mandate.
