

Marysville Borough Streets Committee
April 10th, 2008
8:30AM
MINUTES

1. Bittings Alley Paving

Committee agreed that to properly do the alley it would need to be milled and 3"-6" of stone will need to be put down prior to paving with 2-3" of 19mm. Brian is going to check with Ron Brown for his opinion as to what we should specify and Brian is going to put it on the council agenda.

2. Cumberland Perry County Joint Task Force Meeting

Brian informed the committee that anyone interested in attending the HATS meeting that it will be held at the borough building on Wednesday, April 16 at 5:30pm.

3. Mental Health

Originally asked to have the square closed in May, however, they are postponing it until Fall.

4. Mark Walsh

Brian informed the committee that Mark Walsh requested to modify the swale at the rear of his property. The committee agreed that it would be setting precedent and informed Brian to let him know that we respectfully ask him not to modify the swale.

Respectfully Submitted,

Brian D. Harris
