Stop Sign Location: Overcrest & Front Street
Kings Highway and Antler Drive
Kings Highway and Deer Trail
Park Drive and Laurel

No Parking: Bittings Alley – SR 850 to Beers Alley

Committee recommended Brian advertise the above ordinance amendments. Brian will place the amended ordinance on the April council agenda for adoption.

2. Street Paving

Kings Highway – \$159,000 to pave from Rye Township line to Caroline. Includes milling 5" and repaving 3.5" 25mm base and 1.5" of 9.5 wearing.

Committee recommending placing the item on the council agenda for approval to begin preparing bids. Brian will contact Ron Brown to see what options are available for a sidewalk or walkway.

3. 112 Leonard Street

Request for off street parking.

Committee recommended Brian contact Deb Woodings and Mark Walsh to see if they would cooperate in putting in off street parking since the cart-way on Leonard Street is narrow. The intention is to put no parking signs on both sides of Leonard street in that area.

4. Susq. Water Gap Lands. Ordinance audit brief as presented to the Planning Commission.

Brian presented the findings as submitted.
