

Marysville Borough Streets Committee
April 9th, 2009
8:30AM
MINUTES

1. Stop Intersection Amendments

The committee discussed the proposed ordinance and the use of stop signs for speed control. Brian will place the ordinance on the full council agenda for discussion.

2. Street Paving

Bid Specifications are prepared for the paving project from Caroline Drive to the township line.

Brian presented the bid packet to the committee. The committee recommended that the item be placed on the council agenda for a motion to advertise the project.

3. Escalator Resolution

Adopt an escalator clause resolution for asphalt price adjustments.

Brian informed the committee that the asphalt escalator resolution should be in place for obtaining more competitive bids for the project. Brian will place the item on the council agenda.

4. Street Sweeper

Shall the borough continue to contract out with East Pennsboro for street sweeping or do we want to consider the attached used sweeper.

The committee recommended Brian obtain additional quotes for larger sweepers.

5. Whitetail Phase 4

Roger Barrick informed the committee that Phase 4 will be dedicated to the borough in the near future.
