

**Marysville Borough Streets Committee**  
**June 4th, 2009**  
**8:30AM**  
**MINUTES**

1. Paving Project  
Brian provided the committee with an update on the project. The committee recommended that the speed humps be installed and then a further determination will be made regarding the need for stop signs at the intersections.
2. Parking Meter  
Brian provided literature on Solar-Powered Smart Meters.

**Next Meeting Thursday, July 9th, 2009 @ 8:30am**
