Sally McCoy of 216 Park Drive said there was a fence put up at 218 Park Drive which is a hazard. I have been dealing with not being able to see when I pull out of my driveway for the last three months. I was almost hit broad side and a friend of mine as well. Pictures have been taken of the fence and letters sent out to 218 Park Drive. Resident at 218 Park Drive has until May 14, 2016 to fix the problem. I find this ridiculous to give them so long to fix the problem.

I want my concerns to be on record, if I or someone else gets hit pulling out of this driveway.
