Administrative Assistant: Kim Charles

1. 2016 Budget
No report

2. Sale of Sewer Plant – PFM at \$2,000 for RFP
The committee approved to place this line item on the council agenda.

3. Paving Boat Ramp, Cassell Street, Ridgeview Drive
The committee after much discussion and location finding has approved to move forward to placing ID3 blacktop at the boat ramp to stabilize the drive to the ramp. This work will be performed by the employees. The committee also wants to move forward with a skim coat on Ridgeview Drive from Kittochtinny Drive to 222 Ridgeview. And to place a leveling course on Cassell Street from Bittings Ave. to where was stopped the paving. One storm inlet will have to be raised. Scott will contact East Penn to see if they would come up and use there paver to put the blacktop down.

4. Switch Banks
The committee approved to place this line item on the Long Range Planning session of the council agenda.

5. Paving Parking Lot at Mill Ave.
The committee approved to place this line item on the Long Range Planning session of the council agenda.
