Minutes

Chair: Steve Copp Members: Allen Metzger, Larry Little

Attendance: Steve, Allen, Scott

1. Refuse Contract

Scott reported that he has sent an email to Ron Carlson from Advanced Disposal looking for the information he was to get back to us on. Scott will report once he hears back from Ron.

**2. Sale of Sewer Plant
(Public Financial Management)**

Check list filled out and sent to Public Financial Management.

Scott reported that all the information has been given to Public Financial and they are working on the RFP.

Rick Havens as resident came to the meeting looking for answer to a lot of question on the sale of the sewer plant. After much discussion and a lot of information presented to Mr. Havens he stated that he is now well informed and can share this information to people of interest.

3. Sewer Separation Project

Scott reported that he had met with Greg and Bill from Pennoni Asso. for a quote for the project and to have it shovel ready. Also added was the MS4 that will be coming next year once we receive our sewer permit.

4. Heater/AC Quote

The committee approved to place this line item on the finance committee's agenda.
