1. Refuse Contract

Still working on this issue.

2. Sale of Sewer Plant

(Public Financial Management)

PFM is coming to our December Work Shop to Present Findings.

3. Sewer Separation Project

Greg Rogalski from Pennoni Associates as requested prepared a quote to begin the engineering of the next phase of the sewer separation. The committee looked over the packet of information and after a long discussion approved to forward this to the finance committee.

4. Replace Blowers 429,373 – Equipment/Maintenance Repair

1 Digester Blower \$1,988

1 SBR Blower \$4,625

3 Silencer for Blowers \$867.33

Scott presented the information to the committee for the purchase of the listed items above. After much discussion on the equipment and the age and condition the committee approved to forward this line item to the finance committee.

5. MS4 Permitting

Greg Rogalski from Pennoni Associates as requested prepared a quote for the permitting of the Stormwater NPDES Permit Application Budget and Schedule. The committee has look over the prepared packet with many questions. But what is comes down to is that the borough is being force to comply and we must move forward with the permitting process. The committee approved to move this line item to the finance committee.
