

**Marysville Borough Sewer & Sanitation Committee**  
**December 5, 2016**  
**5:30 PM**  
**Minutes**

**Chair: Steve Copp    Members: Allen Metzger, Larry Little**

**Operators: Lonnie Sarver, Peter Boyle**

**Long Term Planning:**

Flusher trailer

Camera system

Discussion on the flusher trailer and camera system and what the uses would be. Scott informed the committee that we would save from having an outside vendor come in and charging a higher price than we could do it ourselves. We would still need a vac truck once in a while to clean out the storm drains.

**1. Refuse Contract**

Scott stated that Connie is sending our information to they can come up with the contract changes.

**2. Sale of Sewer Plant**

**(Public Financial Management)**

PFM is coming to our December Work Shop to Present Findings.

**3. Sewer Separation Project**

No action taken

**4. MS4 Permitting**

The committee had a discussion about possible ponds and other property that the storm water could be temporality stored and slowly release to control run off.

**Next Meeting Tuesday, January 3, 2017**
