

Marysville Borough Sewer & Sanitation Committee
June 6, 2016
5:45 PM
Minutes

Chair: Steve Copp Members: Allen Metzger, Larry Little

Operators: Lonnie Sarver

1. Electronics Recycling

Dave Magee reported to the committee that there is a bill in the Senate to allow Electronics to be removed by normal refuse hauling for the Boroughs the size of ours.

The committee approved to place this line item on the finance committee and the council agenda.

The committee member did say they would come out to help the day of recycle.

2. Replacement of Personnel

The committee approved to place this line item on the council agenda.

3. Sale of Sewer Plant

(Suez, PA American Water, Public Financial Management)

Scott reported that we have talked to Suez and PA American Water and that he has received phone calls from PA Aqua and Public Financial Management. Scott has Public Financial coming to the work shop for Monday's council meeting. There was some discussion on the sale of the plant and what would be done with the proceeds. The committee's answer was that we are just in the talking stage and that any decision will have to go through full council.

4. Sewer Separation Project

No discussion on this line item

Next Meeting Tuesday, July 5, 2016
