

Marysville Borough Streets Committee
November 7, 2016
5:00PM
Minutes

Chair: Lance Barthel Members: Dave Magee, Allen Metzger

Maintenance Men: Robert Laman, Ken Miller

1. Pole Building

The committee had a discussion about the excavation on site for the building. After much discussion the committee agreed to have the excavation done by a local person and not used as an option on the bid.

2. Long Term Planning for Street Restoration

The committee has been discussing the idea of making a list of streets in the borough that need to pave. After much discussion on what streets will be paved through the sewer separation project and the ones left over to be planned for restoration. The committee made a list to have on the agenda for review. They are: Lincoln from Front to Cameron, Kings Highway from the hill to Jimmy Roberts and from the bridge to Park Drive, Park and Ridgeview Drive, South Main from the bridge to borough line, Front street from Broad to Greenbriar, and Leonard Street. Plus all the alley's.
