Minutes

Chair: Lance Barthel Members: Dave Magee, Allen Metzger

Maintenance Men: Robert Laman, Ken Miller

**1. Planning for Paving/Reconstructing Two Streets
(Park Drive, Ridgeview Drive)**

The committee had a long discussion on what to do with the curbing on these two streets before the work would begin. The committee approved to place this line item (curbing) on the work session of the council agenda for further discussion. The committee also asked Scott to form a letter to the Lions Club on the possibility of deeding over to the Borough a fifty foot section along Park Drive. Also to place this on the Long Term Planning portion of the council agenda.

The committee also discussed to add Laurel and Caroline Streets to the project to complete that section of the town with new streets.

2. Add Ridgeview Drive Connection of Streets

The committee discussed this line item and after some fact finding agreed to pursue with adding this to the road project in that area.

3. Bobcat Skid-Steer

Scott handed out a quote from Bobcat on the cost of a new machine and some attachments. After a lengthy discussion on the needs for the equipment and a place to store this equipment, the committee decided to pursue a steel building with enough room to put what we have and what we envision on purchasing. The committee agrees to place this line item on the council work shop for further discussion.
