

Marysville Borough Streets Committee
February 1, 2016
5:00PM
Minutes

Chair: Lance Barthel Members: Dave Magee, Allen Metzger

Maintenance Men: Robert Laman, Ken Miller

1. Planning for Paving Streets, Move Forward with Loan

After much discussion the committee agreed to split out the line items of Engineering (bore testing) and Financing the project. The committee agreed that the engineering needs completed first to know the potential costs of the project. The committee approved to place these line items separately on the council agenda.

2. Plow Blade for Backhoe

After the last snow storm and the talk about a snow blower for the backhoe, Scott believes that a snow plow for the front of the backhoe would be a better use of the borough resources. After some discussion I committee ask Scott to get prices on the equipment needed.

Next Meeting Monday, March 7, 2016
